Fuel Tank Capacity	2 x 200 = 400 L
Water Tank Capacity	2 x 300 = 600 L

You Know Your Strength

Chart a Course to the Freedom

Lagoon 42

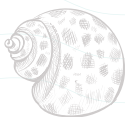

Featuring a self-tacking jib, the **Lagoon 42** offers freedom and bold sailing. The high-performance jib gives the skipper control to harness the full strength of the wind.

Four cabins and sleeping capacity for up to 8 people means that you can enjoy sunrises and sunsets with your loved ones. This catamaran offers a comfortable journey with island double-beds in the stern cabins and side-access double-beds in the bow cabins.

The wide windows allow plenty of daylight in the cabins as well as providing breathtaking views. The interiors are designed with ergonomic details transforming into living spaces for your entertainment.

Specifications

Length Overall	12.80 m / 42"
Beam	7.70 m / 25'3"
Engine Power	2 x 45 HP
Fuel Tank Capacity	2 x 300 = 600 L
Water Tank Capacity	2 x 300 = 600 L

Lagoon 46

The **Lagoon 46** is designed for you to reflect your personality and strong character to the sea, with options that enable you to customize your living spaces. Classic lines of the Lagoon range come together with new generation features to create a novel combination.

Spacious areas and interiors flooded with natural light make the **Lagoon 46** ideal for a deep experience in beautiful hues of blue. Quality equipment, a galley with full amenities and the gracious saloon mean an impeccable holiday experience without compromising on comfort.

The flybridge design of the **Lagoon 46** is a perfect combination of sundecks and a fully equipped helm station that balances comfort and functionality.

Specifications

Dedicated to the Sea

Create Incredible Stories

Lagoon 50

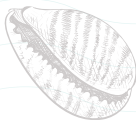

Your passion for the seas transforms into an epic story. The Lagoon range with its revised architecture creates a lasting signature on the water, with the peerless example of the **Lagoon 50**. High performance and high comfort for maximum satisfaction.

With its flybridge design, the **Lagoon 50** offers the skipper a 360 degree open view and larger living areas for guests to enjoy a comfortable time. The wide, modular dining area is sure to add more pleasure for spending time with friends. Hallmark of the Lagoon range, the wide portholes promise a cruise full of natural light.

The square-top mainsail with a high width to length ratio captures better airflow at the upper parts, enabling superior performance. The rigging positioned in the aft section changes the center of gravity in the Lagoon 50 setting it apart from other catamarans with reduced pitch.

Specifications

Length Overall	14.76 m / 48'5"
Beam	8.10 m / 26'7"
Engine Power	2 x 57 / 2 x 80 HP
Fuel Tank Capacity	2 x 520 L / 2 x 137 US gal
Water Tank Capacity	2 x 240 L / 2 x 63 US gal

Bali 4.2

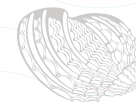

The **Bali 4.2** boasts a deck area 10% larger than other boats in its class, totaling 79.2 sqm, adding another dimension to versatility and comfort on the sea.

The exclusive “BALI door” on Bali Catamarans seamlessly connects the inner saloon with the aft cockpit into a single large space, so guests have the opportunity to enjoy the sea.

In rough weather, open areas can be closed to ensure nothing interferes with your holiday pleasure. A door allows direct access to the bow deck, creating a practical walkway from the salon. This also promotes airflow inside the catamaran, keeping the saloon and galley areas breezy even on very hot days.

Specifications

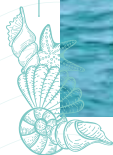

Length Overall	12.85 m
Beam	7.08 m
Engine Power	2 x 45 HP
Fuel Tank Capacity	640 L
Water Tank Capacity	860 L

Dreams Like No Other

Love at First Sight of the Sea

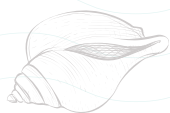

Oceanis 30.1

The **Oceanis 30.1** invites you to an exciting cruising experience with its robust, compact and smart design. Perfect balance, a hard-cine hull and the optimized bow enable a superb performance under sail. Designed with beginners in mind, the self-tailing jib and single winch allow for easy handling.

The ingenious interior and ample headspace distinguish the **Oceanis 30.1** from other boats. The boat features two cabins with lengthwise beds and the two couches in the saloon that transform into two extra berths. The L-shaped galley with top and bottom storage, a refrigerator and an oven under the hob, provides a practical culinary area.

Specifications

Length Overall	9.53 m
Beam	2.99 m
